Whisker Warriors

Spay * Neuter * Vaccinate * Educate

Who we are:

Rancho Cordova Whisker Warriors *Defending those who can't speak for themselves, the animals of Rancho Cordova.*

Mission: Dedicated to reducing animal overpopulation, specifically through spay/neuter, and to ensure the care and well-being of felines and canines in our community.

Update on our work:

Spay/Neuter programs. With the support of the Rancho Cordova City Council, we were able to utilize Community Enhancement Funds (Measure H) to spay/neuter 526 cats, dogs and rabbits the last fiscal year. We also were able to provide wellness care for stray kittens and provide vaccines to dogs and cats, all at no cost to residents.

Free spay/neuter/vaccines for all residents! No other city in Northern California has such a program. Our city is a model for other communities to reduce animal overpopulation and care for the animals in their towns.

Nor Cal Community Cat Alliance (NCCCA) Various organizations concerned about free-roaming, homeless cats have been meeting to address the unique needs of these cats and support trappers who are working so hard to control population growth and care for these cats. RC Animal Services and the Whisker Warriors are key members of this Alliance.

Care for Community Cats. We continue to provide TNR (Trap Neuter Return) for the homeless cats in our community. We have assisted many residents with cats abandoned on their property. If kittens are involved, we try to socialize the kittens and adopt them into loving homes with the help of Fat Kitty City at the Rancho Cordova PetSmart. We are currently fostering 55 kittens from feral moms.

Providing support for Community Cat populations We continue to feed and provide shelter for 14 colonies at Hagan Park and other sites, monitoring for new cats. We spay/neuter all cats to stabilize and ultimately reduce the population. We want no more kittens!

Food Distribution to vulnerable families We partner with Pet Club, Food Locker and PetSmart to provide donated dog and cat food to Meals On Wheels seniors and Mather Veterans Village residents, as well as homeless veterans and the general population as needed.
